## ABOUT US

PRECISION POWER CLEANING

Precision Power Cleaning provides professional commercial cleaning services and equipment rentals in the Permian Basin. We specialize in Industrial Cleaning, Fleet Washing, Steam Cleaning, Dry Ice Cleaning, and Pressure Washer Rentals, Sales, & Service.

## WHAT WE OFFER

### PRESSURE WASHER RENTALS AND SALES

Our pressure washers are in a league of their own - built in house for maximum performance with bigger water tanks, higher pressure, and superior heat for unmatched cleaning power.

### STEAM CLEANING

Steam cleaning uses high-temperature vapor to dissolve grease and remove grime, offering a thorough and effective way to maintain industrial equipment.

### DRY ICE CLEANING

Dry ice cleaning uses pressurized air to propel frozen CO2 pellets, which sublimate on impact, removing contaminants without surface damage.

### FLEET WASHING

Fleet Washing ensures an entire fleet stays clean and efficient through washing, steaming, or dry ice cleaning, removing dirt, grease, and grime for optimal performance.

PRECISION  
POWER CLEANING

"PRECISION POWER CLEANING DID AN OUTSTANDING JOB WASHING OUR FLEET—OUR TRUCKS HAVE NEVER LOOKED BETTER! THEIR ATTENTION TO DETAIL AND EFFICIENCY ARE UNMATCHED. THEY ALSO REPAIRED A FEW OF OUR UNITS QUICKLY AND CORRECTLY, SAVING US TIME AND HASSLE. HIGHLY PROFESSIONAL, RELIABLE, AND GREAT TO WORK WITH. HIGHLY RECOMMEND!"
